Saturday

*Get into the conference “flow” with morning yoga before the breakfast and keynote presentation. Then choose several 45-minute workshops from among the 16 being offered on everything from photography tips and tricks, to the latest in food trends, to creating your strategic marketing plan. There will be not one but two demo lunches on Saturday, though seating is limited to the first 40 registrants. After selecting from among 14 additional workshops in the afternoon, you’ll have the option to attend cocktail hour and a movie on the resort lawn... unless you’re one of those lucky duckies who scored the complimentary wine dinner with your Early Bird registration.*

Sunday

*Food Photo Affair rounds out the weekend with yoga, another breakfast keynote, more morning and afternoon workshops, and lunch demonstrations. And you won’t want to miss the big finale: our gorgeous photo exhibition and winner presentations. This is a chance for food photographers and stylists to showcase and gain accolades for their work from an esteemed panel of internationally acclaimed judges. With 15 categories and \$13,000 in cash prizes, the exhibition and contest will be the culmination of the three-day affair.*
